

Task: search and return the NASA award number supporting R. G. Arendt, from the paper linked in a June 6, 2023 Universe Today article.

SOAP score ($\times 10^{-3}$)

Step 4 • WebSurfer

× **decisive error**

Orchestrator: Search for the article, then open the paper linked at its bottom.

I typed 'Carolyn Collins Petersen ... site:universetoday.com'. Annotated cause: **never reaches the paper's acknowledgment section.**

Step 8 • WebSurfer

the article, not the paper

I clicked 'There Are Hundreds of Mysterious Filaments...'. The viewport shows 9% of the article.

3.40

Step 12 • WebSurfer

hunting for the link

Orchestrator: Scroll through the article to find the paper.

I scrolled down one page in the browser. Now 9% down.

1.64

∴ steps 13–23: two more page-scrolls, 18% then 27%

Step 24 • WebSurfer

still scrolling; unresolved

I scrolled down one page in the browser. Now 37% down.
